Dear Mr. Altur:

It appears that there has been a mistake in the identity of the Sauget/Monsanto IL LDFL ILD 980614176 (PA1 01/30/87, see attachment 2). This PA coincides with the recent addition to CERCLIS: PT's Show Club ILD 984809293, for which I recently completed the PA in FY91. The workplan and the forthcoming SSI report for the Sauget Sites Area #1 will be corrected to show that Monsanto Co. - W.G. Krummrich LDFL ILD 000722074 (PA1 06/01/83, PA2 10/26/90, see attachments 3 and 4) appears to be Sites I/H at Area #1 (instead of the Sauget/Monsanto IL LDFL as previously thought). This needs to be confirmed with PA2 as I cannot find this in our files.

The Area 2 workplan and SSI need to be corrected to show that the Route 3 Drum Site is not Monsanto Co. - W.G. Krummrich, but rather Krummrich W.G. PLT ILD 980498059 (PA1 01/01/83). This PA is also missing from our files and needs to be used to confirm this as the actual Route 3 Drum Site at Area #2.

Because Sauget/Monsanto IL LDFL is a pre-SARA listing and is not aggregated with either Sauget Sites Area #1 or Area #2, a separate SSI needs to be completed. I can expedite a non-sampling workplan and prepare the SSI report based on the recent sample data collected at this Site. PT's Show Club can be NFRAPed with reference to the Sauget/Monsanto IL LDFL.

Please call me at 217/524-1657. I could use a copy of the two missing PA's.

Sincerely,

*Tim Murphy*

*Could you please combine  
Sauget/Monsanto IL LdfI  
(ILD 980614176) and  
PT's Show Club ~~ILDFL~~  
(ILD 984092293) under  
the ID # for Sauget/Monsanto.  
PTs can remain as an AKA.*

*Thanks -*

*Alan*
